Dive Into Lembeh, North Sulawesi - Indonesia

(#IDILC5)

Open dates (8 days / 7 nights)

Dive Into Lembeh is nestled in Kasawari bay in the Lembeh strait, Indonesia. The area is famous for its muck diving on black volcanic sand infested with critters. All bungalows are air-conditioned and come with a private Japanese style stone hot tub. All meals are served in an open air restaurant / bar. The resort's swimming pool is fresh water and its fully equipped Dive Center has Lembeh's largest camera room.

Package Includes:

- Accommodations in a private bungalow
- Full board (3 meals per day)
- Standard dive package (up to 18 dives)
- Tanks, air and weights
- Airport transfers
- Local sales tax

Not Included:

- Accommodation upgrades
- Flights (International and domestic)
- Marine Park fees (if applicable)
- Travel and dive insurance
- Nitrox
- Alcoholic, certain other beverages and gratuities
- Contribution to the Québec compensation fund (FICAV): 0.35%
